- | | |
|------------------------------|----------------------|
| | (g/head/day) |
| • Lactating Cows | 150 to 220 |
| • Dry Cows, Heifers & Steers | 100 to 200 |
| • Sheep & Goats | 17 to 34 |
| • Game | 0.03% of body weight |

UREA Warning

This Farm Feed contains NPN (Non Protein Nitrogen) sources and must therefore be fed Strictly according to instructions for use.

1. Vinegar is an effective remedy against NPN poisoning. Mix with an equal amount of water. Dose half a bottle per calf or large sheep or 2-4 bottles per head of cattle. (1 bottle = 750ml). 2. Protect this farm feed from rain. NPN is soluble and animals drinking such a solution could be poisoned. 3. Do not feed this farm feed indiscriminately with other NPN containing farm feeds. Consult an animal scientist. 4. Mix this concentrate thoroughly with the prescribed ingredients. 5. Prevent gluttonous eating by hungry animals.

Although all measures have been taken to ensure the safety regarding the use of this product, Novatek Animal Feeds can not be held liable for any losses which may occur through the use of this product.
