# **BROILER RANGE**

The **Zamfeed Broiler** range is an economic feed range that is of high quality. Only the best raw materials are accepted to make this feed. The **Zamfeed Broiler** Range will ensure optimal profit by reducing feed costs. This is the perfect feed for small scale farmers selling live chickens into the market.

*“Feeding for Prosperity”*

# FEEDING GUIDELINE

<b>Zamfeed</b> Broiler Feed Guidelines	<b>AGE</b> (In days)	<b>FEED REQUIRED PER</b> <b>BIRD PER STAGE</b>
<b>Zamfeed</b> <b>BROILER STARTER</b>	0-21	0.8kg
<b>Zamfeed</b> <b>BROILER GROWER</b>	22-28	1.2kg
<b>Zamfeed</b> <b>BROILER FINISHER</b>	29-Market	1.6kg +
<b>Zamfeed</b> <b>BROILER MAINTENANCE</b>		

Broiler performance is highly dependent on good management practices.

The first two weeks of the chicks' life are the most critical, therefore it is important for you to monitor the chicks closely during this period ensuring that birds are comfortable. Ensure correct temperature, proper ventilation, good litter quality and easy access to feed and water. This will enable you to get the best out of the **Zamfeed** Range.
